14 May 2009

Dear Year 6 Parents

PROPOSED CHANGES TO THE SCHOOL DAY FROM SEPTEMBER 2009

You will hopefully be aware that we have been running a consultation process about restructuring our school day from September 2009. The parents' meetings were well attended and the feedback has been most welcome in shaping our thoughts. I am pleased to confirm that the Interim Executive Board of Governors has approved the proposals for the new school day from September, which is as follows.

8.25 am	Period 1
9.25 am	Period 2
10.25 am	Vertical mentor time (tutor groups)
10.45 am	Break
11.00 am	Period 3
12.00 noon	Period 4 or Lunch
12.00 – 12.30 pm	Year Groups 9 and 10 Lunch
12.30 – 1.00 pm	Year 7 Lunch
1.00 – 1.30 pm	Year 8 and 11 Lunch
Students not on lunch have Period 4	
1.30 pm	Period 5
2.30 pm	School day ends
2.30 – 3.30	Clubs, library, extra-curricular activity, homework clubs, intervention, etc.

I have spoken to transport providers, catering services, strategic services and others and confirm that they can service this new structure. I look forward to a significant upturn in examination performance this summer and to sharing with you and celebrating the achievements of our students. To be working with your children in the future will be a privilege and I anticipate year on year improvements in the standard of education delivered to them. This change will allow us to accelerate the rise in standards you have a right to expect.

Yours sincerely

Paul Tarn
Head Teacher
